Conditions of leave and leave allowances

File No Rev. Institutions of 195 General Secretariat

At present there is provision for grant of leave only to hereditary servants of institutions. ~~but~~ There is no provision for non-hereditary full-time servants. Besides there have been no specific Leave Rules applicable to the servants of Hindu institutions as their appointment is not pensionable and the Leave Rules of the M.S.R are not therefore applicable to them. There are however some permanent officials of the Revenue Department who are posted to work as peshkars of certain Hindu temples and their case is governed by the leave Rules contained in the M.S.R.

The Hindu commissioner has stated that it is necessary to make some provision for grant of leave and leave allowances in the case of non-hereditary full-time servants, as they do not enjoy any such privileges now and he has recommended that they may be granted leave and leave allowances in deserving cases ~~where no extra cost is involved~~ to the limit allowed in the M.S.R if arrangements can be made for the conduct of work of the absentee without extra cost to the institution concerned.

Financial Asst may be consulted if advised

The number of Munzrai institutions that can pay adequate leave allowance and allowances to acting incumbents in the case of non-hereditary posts in such institutions is extremely small except in cases where leave without allowances is granted. Unless adequate leave allowance is paid to the acting incumbent it may not be possible to get the work of the absentee done satisfactorily. As it is not possible to pay adequate allowance to the acting incumbent without incurring extra costs except in case of grant of leave without pay, it is a point for consideration whether it is possible to grant any leave other than leave without allowances to non-hereditary servants of Munzrai institutions, except in the case of a institutions which have got adequate funds to meet the extra cost involved by the grant of leave with pay to such servants. It may perhaps be possible to grant ~~10.3.37~~ servants of such institutions casual leave for a few days

Returned with compliments.

The pay and allowances of the servants of Muzrai Institutions, have to be met from the funds of the concerned institutions which depend upon Government grants and revenues derived from inam lands or gifts from votaries and as such are of a fluctuating nature and it is therefore not possible to say whether any institution can meet any extra charges on account of leave allowances to absentees besides the remuneration payable to acting incumbents.

As per rule 3 of the Mysore Religious and Charitable Institution Regulation No.VII of 1927, the hereditary servants of Muzrai Institutions may be given leave of absence for over three months but not exceeding two years provided that proper arrangements are made for the work of absentees, but the incurring of extra cost on this account does not appear permissible. The rule appears only to enable the hereditary employees to retain a lien on their posts and to resume work after the cessation of the leave period.

12) As such there is no objection to the recommendation of the Muzrai Commissioner to grant to non-hereditary whole time servants of Muzrai Institutions also the benefits of leave and leave allowances admissible to temporary Government employees under Articles 149(a) 197(b) and Appendix B of Mysore Service Regulations, provided no extra cost is involved in making arrangements for the work of the absentees. Since the latter arrangement may not always be practicable, it is perhaps desirable that the benefit of exception No.2 to Article 149 M.S.R. is also extended in the case of both the hereditary and non-heriditary employees provided that necessary provision for meeting the extra cost involved is available in the sanctioned scale of the institutions concerned.

GENERAL SECRETARY
27 FEB. 1937

SIR,

Grant of Leave and Leave Allowances to the non-hereditary full-time servants of Muzrai Institutions.

I have the honor to forward herewith correspondence ending with letter No.A2-C.4669/35-36 dated 28-11-1936 from the Deputy Commissioner Kolar District, re. the grant of leave allowances to the Nazeem of Nokhara at Kolar, and to state as follows.-

2. The Nazeem of Kolar Durga is a non-hereditary appointment carrying a pay of Rs 25 a month as per sanctioned scale (printed copy enclosed). He was granted 6 months' leave from 1st May 1935 of which, 3 months' leave was on full pay and the rest on half pay. The Mutsaddi of the Durga was placed in charge of the Nazeem's duties during his absence with a charge allowance of Rs 5 a month. The Amildar sent a bill for Rs.42-8-0 being the amount due to the absentee and the Mutsaddi, as noted in the margin. The Comptroller to whom the bill was sent for audit has made a reference to this office to know if there are any specific Leave Rules applicable to the servants of Muzrai Institutions, as their appointment is not pensionable and the Leave Rules of Mysore Service Regulations are not, therefore, applicable to them (vide his letter in the file).

Rs 12-8-0	due to the Nazeem being the half pay for October 1935.
30-0-0	due to the Mutsaddi as charge allowance for 6 months at Rs 5 a month.
Rs 42-8-0	

the Kolar Durga, as stated above, is also approved.

READ—

Letter No C. 95—36-37, dated 26th February 1937, from the Muzrai Commissioner in the matter of granting leave and leave allowances to the non-hereditary full-time servants of Muzrai Institutions in the State.

2. Un-official Note No 878—Spl., dated 1st April 1937, of the Comptroller to Government on the subject.

ORDER NO. 1541-50—MUZ. 260-36-2, DATED BANGALORE, THE 21ST—24TH MAY 1937.

It is reported that the post of the Nazeem of Kolar Durga is a non-hereditary appointment carrying a pay of Rs. 25 per mensem and that the Nazeem was granted six months' leave from 1st May 1936, of which three months' leave was on full pay and the rest was on half pay and the Mutsaddi of the Durga was placed in charge of the Nazeem's duties during his absence with a charge allowance of Rs. 5 per mensem. A bill for Rs. 42-8-0 being the amount due to the Nazeem (on leave) and the Mutsaddi was sent to the Comptroller for audit and it was returned un-audited by the Comptroller on the ground that these appointments are not pensionable and the Leave Rules of the Mysore Service Regulations are not applicable to them.

2. At present, there is provision for the grant of leave only to hereditary servants of Muzrai Institutions under Sub-Rules 3 and 8 of Rule 3 of the Rules framed under the Mysore Religious and Charitable Institutions Regulation. But no provision exists regarding the grant of leave to non-hereditary full-time servants of such institutions. Except the Peshkars of the temples at Nanjangud, Chamarajnagar, Seringapatam, Kalasa and Belur who are permanent officials in the Revenue Department, the other non-hereditary and full-time servants of Muzrai Institutions are directly recruited to service in such institutions. The case of the former officials who are permanent officials of the Revenue Department is governed by the rules contained in the Mysore Service Regulations. It is found necessary to make some provision for the grant of leave and leave allowances in the case of the latter class of officials especially in deserving cases and when no extra cost is involved. The Muzrai Commissioner has therefore recommended that the non-hereditary full-time servants of Muzrai Institutions may be granted leave and leave allowances to the limit allowed in the Mysore Service Regulations if arrangement can be made for the conduct of the work of the absentee without extra cost to the institution concerned. In the circumstances reported, Government are pleased to approve of the proposals of the Muzrai Commissioner.

The action taken by the Deputy Commissioner, Kolar District, in granting leave and making acting arrangements in the case of the Nazeem of the Kolar Durga, as stated above, is also approved.

Secretary to Government,
